

# WORKING AT CAMP IS A **REAL** JOB!

## LEADERSHIP

Leadership is learned in a real-life context (not made-up or contrived!) At CJ you are part of a team, supervising between 12-16 campers, engaging in decision-making and behavior management, and living and working in shared spaces. All necessary leadership skills for today.

## 21ST CENTURY SKILLS

A summer at CJ will challenge you in the areas of communication, collaboration, critical thinking, creativity and problem solving. Honing these skills at camp can make your resume much more attractive to potential employers.

## NETWORKING OPPORTUNITIES

Joining the CJ team literally adds hundreds of people to your network. Camp staff, camp alumni, board members and camper parents can all provide possible links to future internships and job offers in a variety of careers.

## LETTERS OF RECOMMENDATION

Your camp supervisor can write a great letter of recommendation. At camp your supervisor gets to know you as an individual. Interacting with you on a daily basis gives them a true look at your character.

## DIVERSE & GLOBAL EXPERIENCE

CJ brings campers and staff together with many different cultural perspectives. Throughout the entire South East and Countries including Israel, Mexico, and the UK are all well-represented at CJ!

## PROFESSIONAL DEVELOPMENT

CJ invests in you throughout the summer. You will have the opportunity to work with various professionals. Guest speakers and staff programming provide ongoing opportunities for growth.

## TRAINING & CERTIFICATIONS

CJ will cover the cost of any additional training your position may require. Lifeguarding, CPR, First Aid, Ropes Course and Archery are all specialized trainings offered by CJ. These certifications are yours to take with you after camp.

## RESUME BUILDER

Camp is a unique job and a great conversation piece when interviewing with future employers. We will help you put camp on your resume in a way that highlights all the skills and experiences gained while spending a summer working at CJ.

## ROOM & BOARD

Working at an overnight summer camp can save you big bucks! Housing, meals, laundry, utilities and gym are all provided to you. Low spending means more money in your pocket at the end of the summer.

## PAYCHECK

It won't be millions, but at the end of the summer you get to take home a very well-deserved paycheck. Minimal spending while at camp allows you to take home almost all of your earnings!
